Located in a former auto body shop in Portland's Pearl District, the design is similar to a Scottish pub, but with a Northwest style. From families to serious beer connoisseurs, the pub is designed to offer a variety of experiences that cater to a wide array of visitors.
Beer:	The brewery produces all the traditional Deschutes year-round beers and seasonal offerings, including flagship beers Mirror Pond Pale Ale and Black Butte Porter. The brewpub's 16 taps will also feature a selection of seasonal and experimental brews developed and brewed on-site by brewer Cam O'Connor exclusively for the Portland pub.
